This week our parish will take up The Catholic Relief Services Collection. Your

compassion helps those in need around the world. Every gift you give helps a child thrive, brings hope to a family and rebuilds a community. When you give, you help fill the bellies of young children so they can study hard in school. You help prevent trafficking and provide welcome kits for survivors. You help mothers and babies around the world receive nutritional care and health exams. When you give, refugees find safety and receive emergency assistance and trauma counseling. Farmers learn innovative ways to plant and grow crops despite drought or disease. And women find dignity in opportunities for savings and training. **You can make an immediate lifesaving difference and give hope to children, mothers and fathers around the world—ensuring that even during the pandemic the most vulnerable people are taken care of.** For more than 75 years, CRS has been providing expertise and compassion to the very poorest of our brothers and sisters in more than 100 countries. And it's because of you.

**We can't do this lifesaving work without your help—especially during the COVID-19 health crisis. Please give generously.**

**Rome Sweet Home: Our Journey to Catholicism by Scott & Kimberly Hahn**

The well-known and very popular Catholic couple, Scott and Kimberly Hahn, have been constantly travelling and speaking all over North America about their conversion to the Catholic Church. Now these two outstanding Catholic apologists tell in their own words about the incredible spiritual journey that led them to embrace Catholicism.

Scott Hahn was a Presbyterian minister, the top student in his seminary class, a brilliant Scripture scholar, and militantly anti-Catholic ... until he reluctantly began to discover that his "enemy" had all the right answers. Kimberly, also a top-notch theology student in the seminary, is the daughter of a well-known Protestant minister, and went through a tremendous "dark night of the soul" after Scott converted to Catholicism.

Their conversion story and love for the Church has captured the hearts and minds of thousands of lukewarm Catholics and brought them back into an active participation in the Church. They have also influenced countless conversions to Catholicism among their friends and others who have heard their powerful testimony.

Written with simplicity, charity, grace, and wit, the Hahns' deep love and knowledge of Christ and of Scripture is evident and contagious throughout their story. Their love of truth and of neighbor is equally evident, and their theological focus on the great importance of the family, both biological and spiritual, will be a source of inspiration for all readers.

**Does your child have an interest in singing or playing an instrument at Mass? Young Shepherds, our children's music ensemble, may be the ministry for you!** We recently expanded the age range for this choir to include all children, from Kindergarten through 12<sup>th</sup> grade. We encourage parents or caregivers to stay with our youngest singers to help them if necessary. Any student who plays an instrument is encouraged to bring their instrument to practice, and when appropriate, play along with a hymn. Not all instrumentalists will be asked to play all hymns, but the music ministry wants to encourage your young musicians. Young

Shepherds teaches our children from an early age responsibility for the hymns during Mass as the group discusses the readings and allows the children to help choose hymns that fit those passages.

**Practice:** Wednesday nights 6:15pm-7:20pm in the church. **Scheduled Mass:** 1<sup>st</sup> Sunday of the month at 9am (arrive ready to sing by 8:15) If your musician has interest, please contact Angela Jowett at [music@stcatherineschurch.org](mailto:music@stcatherineschurch.org) for more information, or just come to practice and meet us!
